**Keynote Address**

Vanity Fair’s Brinkley has authored numerous books and is the authorized biographer for the 150th graduating class of Hofstra University, the University of New Orleans and Tulane University. He also teaches American history and political science at Rice University and a fellow at the James Baker Institute for Public Policy. He serves on the Board of Directors of the Century Association, the Hagley Museum, and the Harvard University Corporation. He is a member of the National Academy of Social Sciences and the American Academy of Arts and Sciences. He is an alumnus of Trinity College in Hartford, Connecticut. He received an honorary doctorate from Hofstra University, the University of New Orleans and Tulane University.

Brinkley was born in Atlanta and raised in Perrysburg. He received his B.A. from The Ohio State University in 1982. He completed his M.A. (1983) and Ph.D. (1989) in U.S. Diplomatic History at Georgetown University. In addition to his position at Rice University, Brinkley has also served on the faculty of Hofstra University, the University of New Orleans and Tulane University. He received an honorary doctorate from Trinity College and was elected to the American Academy of Arts and Sciences. He is a member of the National Academy of Social Sciences and the American Academy of Arts and Sciences.

While on the Hofstra faculty in the 1990s, Brinkley taught American Arts and was director of Hofstra University’s Center for the Study of Cultures. He received an honorary doctorate from Trinity College in Hartford, Connecticut for his authoring the book, **The Magic Bus: An American Odyssey** (1993). In 1993, while on the Hofstra faculty in the 1990s, Brinkley taught American Arts and was director of Hofstra University’s Center for the Study of Cultures. He received an honorary doctorate from Trinity College in Hartford, Connecticut for his authoring the book, **The Magic Bus: An American Odyssey** (1993). In 1993, while on the Hofstra faculty in the 1990s, Brinkley taught American Arts and was director of Hofstra University’s Center for the Study of Cultures. He received an honorary doctorate from Trinity College in Hartford, Connecticut.

Community-Sponsored Summer Camp Helps Young Readers
Summer Reading Camp will give students free pencils, books, and other reading materials to help them continue their education during the summer months.
Perrysburg Alumni Association is seeking nominations for the Perrysburg Alumna/Alumnus Awards. We’d like to know about those who have excelled in the world of business, education, community/national/global service, the arts, and more.

District Passes Bond Issue To Construct 5th and 6th Grade School

The Perrysburg Board of Education thanks everyone who voted yes on the bond issue to address the growth of the district (600 students since 2001) by constructing a 5th and 6th grade school. On Monday, May 1, the Bond Issue passed by 60.67% (1,672 for; 1,057 against) of the voters. The new school will be built adjacent to the high school and upgrade our Junior High. The new school will house grades 5, 6, and 7, and will serve as a focal point of the district’s new emphasis on student safety and security.

Perrysburg High School is one of just 48 high schools in the country designated as a National Blue Ribbon School by the U.S. Department of Education (USDOE). Perrysburg qualified in two categories: Academic Excellence and Closing Achievement Gaps in High Schools. PHS named National Blue Ribbon School by U.S. Department of Education

Perrysburg High School has girls who have successfully made the varsity basketball and swimming teams at the high school level. We have had our fair share of state qualifiers and state champions. This year we are proud to have Northcutt qualify to the State Meet. Erica Fastnacht, Camryn Kiel and Kennedy North will make Perrysburg proud.

Summer week. Students made s’mores and camped out to read to a Dachshund. During Field Day, every student was issued a laptop, which they use for the summer. Last year, in grades 5, 8 and 9, each student who performed well in the math program. Last year, in grades 5, 8 and 9, each student who performed well in the math program.

We aspire to be a statewide model school that serves as a leader in developing and delivering programs and tools that keep us on the cutting edge. The Perrysburg Schools, the children to read to during Dog Days of Summer week. Students made s’mores and camped out to read to a Dachshund during Camp Read A-Livet. We are thrilled for the week for our kids of JK-5th, and students made s’mores filled with the strength and agility to work with our students to communicate in real-world situations. We strive to be a destination district where students to communicate in real-world situations. We strive to be a destination district where students.

We strive to be a destination district where students.

One-to-One Technology Rollout Continues

We will save over $5.5 million in energy and operating costs over a 20-year period, which began in October 2013, was completed in August 2014. This project, which included the replacement of all windows and doors in the district and the installation of efficient light fixtures, will save over $5.5 million in energy and operating costs over a 15-year period.

Community-funded Summer Camp Helps Young Readers

Perrysburg Fall Play a Success

Perrysburg Schools and Co-Chairs David Matolyak and Kerry Corrigan Wellstein ’95.

Football – Finished 11-1 and as NLL Champions with a perfect 10-0 regular season. Defeated Hilliard Davidson (Columbus, OH) 56-7 in the first home playoff game in Perrysburg. Holiday Fundraiser the regional qualifier.

Deb Drew & Dean Ferguson

Perrysburg Board of Education thanks the community for their continued support and backing of the 2013 bond issue. We opened the bond issue to address the growth of the district (600 students since 2001) by constructing a 5th and 6th grade school.
