Important Dates

March 11 - College Preview Night @ Owens

April 1 – CCP Deadline for Intent Forms

Students are responsible for adhering to any/all deadlines set out by the college. Please be vigilant in review of these timeframes.

Points to Consider

- The best preparation for college is not college.
 - Our high school classes provide better preparation to be successful in college.
- Selective universities would rather see the most challenging classes on a transcript (Honors and AP) rather than on-campus CCP.

Questions?

- Contact college admissions representatives with college specific questions. P. 11
- Follow up with your counselor to finalize applications, schedules, and credit checks.
