

JHPO Meeting Minutes

November 14, 2018

Principal's Report

- All of the color run t-shirts have been passed out, none have been returned.
- Students were told to check the lost and found. Anything not claimed will be donated this Friday, November 16th.
- Jacket Way Committee meeting was held. We had 3 students from both the 7th and 8th grade with good input. They like the program and like to see that kids who always do good still get recognized. Teachers have been given a goal behavior to look for in their students each month.
