These courses are offered as online elective credits. If taken at the high school, students will only be permitted to take one course per semester. Fees may be required. **Students that fail to successfully complete each online course will be assessed a fee equal to the cost of the course (approximately \$240).** The following skills are required: organization; follow instruction and work independently; resourceful; and able to keep track of deadlines and complete tasks in the time frame allotted.

The student will attend the course during his/her study hall or from a remote location until the course is completed. Lincoln Interactive teachers as well as a PHS Assistant Principal will monitor attendance. Students are expected to complete 50% of the course by midterm. **All courses are semester courses and are expected to be completed within the district semester dates.**

Seniors must be completed with all Lincoln Interactive coursework the Friday prior to senior exam week. Seniors that are not completed with their coursework by that time will not be permitted to walk in the traditional graduation ceremony. The student will receive his/her diploma upon completion of all graduation requirements after Graduation Day.
