## **Medications**

Attention Parents: Please pick up any remaining medication stored in the school clinic by May 24, 2018. After this date, the clinic staff will properly dispose of any medication left in the clinic.

The Perrysburg Schools medication policy requires that a new medication form be filled out for each school year. Careful planning now will help in the transition of the new school year and accommodate any medication adjustments that may have taken place over the summer. Thank you for your attention in this matter.

**Cafeteria Charges:** Please note that all cafeteria charges need to be paid off by May 14. No charges will be allowed beginning May 14. To view your child's account, you may go to the online lunch payment system. This system not only allows parents to pay for lunches online, but also enables you to view your child's account balances and monitor purchases. The program can be accessed by going to [www.perrysburgschools.net](http://www.perrysburgschools.net) and clicking on the Parent Tab, then "online payment" on the pull down menu, you will be directed to [payschoolscentral.com](http://payschoolscentral.com).

## **HPI Tour:**

Fourth graders will visit the Hull Prairie Intermediate School on Wednesday, May 16. They will be shuttled to the HPI for a tour, meet with fifth grade teachers, and have lunch. Following this visit, they will return to Toth.

## **SEEKING Summer Enrichment?**
