- American Institutes of Research (AIR) software

# Five Things You Need to Know Week of 12/19/14

## 12/30/2014

### Third Grade Reading

**In the spring of 2015, students in grade three will take which reading test?**

Students in third grade will take the Ohio Achievement Assessment in reading. They will not take the PARCC English language arts test. Third-graders will still take the new state test for mathematics (PARCC – Math) in spring of 2015.

## Next Steps

- Visit the testing sites to familiarize yourself with the format of the tests.
- Be sensitive and aware of your student's testing needs.
- Work together with your Perrysburg administrators and teachers to make sure you and your students are ready for the tests.
