FISCAL STEWARDSHIP

Financial responsibility ensures that the majority of funding is spent on classroom instruction.

- In a time of uncertainty and need to increase safety surrounding the return to school, the reduction of state and local funding is a reality. With limited resources, we will continue to do our best to find ways to make safety a priority. For fiscal year 2021:
 - Projected reduction of 10% in state funding = \$1,242,212
 - Projected 5% increase in the delinquency rate for property tax payments = \$1,835,182
 - Projected 40% reduction in casino revenue = \$175,107
- Perrysburg Schools, considered a high wealth school district by the state, receives 28% of our funding from the state compared to the state average of 44%.
- A pay-to-participate program has been in place for extracurricular activities since 2011.
- Over \$4.3 million has been donated to our school district since the establishment of our Development Department in Fall 2013.

PARENT & COMMUNITY INVOLVEMENT

Educational experiences are enhanced by partnerships between the school district and community.

- Perrysburg Schools, the Islamic Center of Greater Toledo and the Perrysburg Heights Community Association have partnered to ensure the hunger needs of our students and community are met during the school year. The organizations are distributing meals and food items on a weekly basis.
- Jackets Giving Back is a student-driven volunteer day in which PHS seniors spend their academic day volunteering throughout Perrysburg and the surrounding community. All PHS seniors have the opportunity this fall to volunteer at one of about 30 participating organizations throughout the area.
