Dear Families,

Following please find information about two tools available to parents and guardians – PowerSchool and Schoology. These two systems have different purposes that supplement each other.

### **Preschool - Grade 4**

For students in Preschool through Grade 4, parents and guardians do not need to access PowerSchool. Parents and guardians of students in grades PS-4 do not need to access Schoology at all, since the program is tied to our laptop program in grades 5-12. Grades K-4 use Progress Binders and all information regarding progress is contained in the binders.

### **Grades 5 - 12**

#### **PowerSchool:**

- Current course grade
- GPA (Grades 9-12 only)
- Previous grades
- Quarter and Semester Grades
- Schedules

#### **Schoology:**

- Assignments done during class
- Class calendars
- Class discussions
- Communication with teacher
- Homework assignments
- Resources for the course
- Student groups
- Upcoming tests/quizzes
- Updates from teachers

Parents and guardians of all 5<sup>th</sup> grade students and any students new to the district will receive an email containing a code and instructions needed to create accounts at the beginning of the school year.

Sincerely,  
Joe Sarnes
