importantly, as people.

We could not do this without
the tremendous support of the

2016/2017
THEATRE
SEASON

by **Larry Shue**

Nov. 4, 5 and 6*

The scene is a fishing lodge in rural Georgia often visited by "Froggy" LeSeuer, a British soldier. This time he has brought along a pathologically shy friend named Charlie who is overcome with fear at the thought of talking with strangers. "Froggy" tells all assembled that Charlie is from an exotic foreign country and speaks no English. The fun really begins, as Charlie overhears more than he should when people start telling him secrets with the thought that Charlie doesn't understand a word being said. That he does fuels the nonstop hilarity of the play and sets up the wildly funny climax in which things go uproariously awry for the "bad guys," and the "good guys" emerge triumphant.
