## **Perrysburg Schools in cooperation with Northwest Ohio Regional Terrorism Task Force**

Dear Parents or Guardians:

Your child's safety is a top priority. School officials and the Northwest Ohio Regional Terrorism Task Force have been reviewing safety plans in case a Threat Level Red is declared by the United States Department of Homeland Security.

Should a Threat Level Red be announced:

- Before school hours: schools will be CLOSED

All activities and events scheduled for any district facility will be cancelled until further notice. Normal school operations will remain closed until advised to re-open by the Regional Terrorism Task Force.

- During school hours:

School buildings will be secured and remain open until regular dismissal time unless otherwise directed by the Regional Terrorism Task Force. All after-school activities and events will be cancelled.

How can you help?

1. Advise your child's school if there are any recent changes to your child's emergency medical information.
2. In order to keep phone lines open for possible communications from Regional Terrorism Task Force Personnel, the districts ask your cooperation in not calling the schools.

The Northwest Ohio Regional Terrorism Task Force will be using local media to update information as it becomes available.

We thank you for your cooperation as we take these steps on behalf of your children and our staff.
