Dear Parents/Guardians,

The Perrysburg School District has adopted an extra-curricular support fee (activity fee) policy. Several factors were considered in establishing the fee amounts, such as, if a supplemental contract is paid to the coach/advisor of the activity, how much travel is involved in the activity, and whether or not the activity is a class during the school day.

All participants will be assessed \$50 for each activity. There is a maximum of \$100 per individual and a family maximum of \$150 for junior high extracurricular events that qualify for a whole school year. All fees are to be paid by the first contest and are not refundable. Payment of the fee does not guarantee playing time for your child. Athletes who quit or who are denied participation for disciplinary reasons, will not be reimbursed.

The fees are being charged to defray only a part of the expenses of our programs, and are being deposited with the district, and not the athletic department. Fees are to be paid by check made out to "Perrysburg Junior High School." We ask that you please return the form below, completely filled out, with a check to the junior high office (Mrs. Slocum), one week before the first game/contest. If you have reached your maximum as described above, please indicate how in the space provided, including the activity and name(s) involved.

Sincerely,

Andrea Monheim
Junior High Athletic Director
