WELCOME

Dear Toth Families,

On behalf of the staff at Toth Elementary and Perrysburg Schools, I am happy to welcome you to the 2024-25 school year! This is my third year at Toth Elementary, and I am very excited to serve as your principal. I am originally from the Northwest Ohio area and earned my undergraduate degree from Bowling Green State University. After graduating from BGSU, I moved to NYC where I earned my graduate degree from Columbia University, Teachers College. I have experience as a nonprofit director, school teacher and principal. During the 21-22 school year, I joined Perrysburg Schools as the Assistant Director of Student Services and Well-Being. That year I also had the opportunity to serve as the Interim Director of Student Services and Well-Being. The time at central office and with the nonprofit shaped me into a more well-rounded principal, which is my true passion. I also enjoy time with my family. I have one son named Austin. We play soccer, camp and rock climb often. We look forward to our annual rock-climbing trip in Red River Gorge. While it has been a fun-filled summer, I can happily say that I'm ready to switch gears and start the school year.

As your principal, it is important to me that everyone who steps through our doors feels welcomed here. My door is always open, and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year at 419-874-3123 (ext. 3502) or jmolina@perrysburgschools.net.

I look forward to working with you as a partner in your child's success!

Sincerely,

Jessica Molina

ARRIVAL 8:50 – 9:05 AM

STUDENTS SHOULD NOT ARRIVE AT THE BUILDING, UNACCOMPANIED BY AN ADULT, ANY EARLIER THAN 8:50 AM.

Bus Riders – School Buses will use the **Locust Street Loop** to drop off and pick up kids. The buses will pull into the bus loop (Locust Street side) via the north entrance. There will be NO cars allowed in the Locust Street lot during morning arrival. Students will be dismissed from the busses and will enter the building through Door 27.

Walkers – Students who walk or ride their bike to school **should use the crosswalks to approach the building** and will enter the building using the **7th Street Entrance (Door 1)**. Students should arrive between 8:50 am – 9:05 am and be accompanied by a guardian. At 8:50 a.m., a staff member will be posted outside of Door 1 to begin allowing students to enter the building and to help with crowd control. As a reminder, because staff is participating in morning meetings or duties, **supervision of students will not be provided prior to the 8:50 a.m. time. Please do not send your child to school early with the expectation of them spending time in the lawn unattended.**

Car Riders – In an effort to keep the flow of traffic moving in a single direction, families are asked to enter the **Elm Street loop** via the South Entrance by **turning right only** into the car loop and exit the loop via the North Entrance, again, **right turn only** onto Elm Street. Families should enter the car line and **pull all the way to the front of the loop, always leaving only a small, safe gap between their car and the car ahead of them.** Staff members will be positioned along the side to help students out of cars. **Students should exit the car on the side closest to the building.**

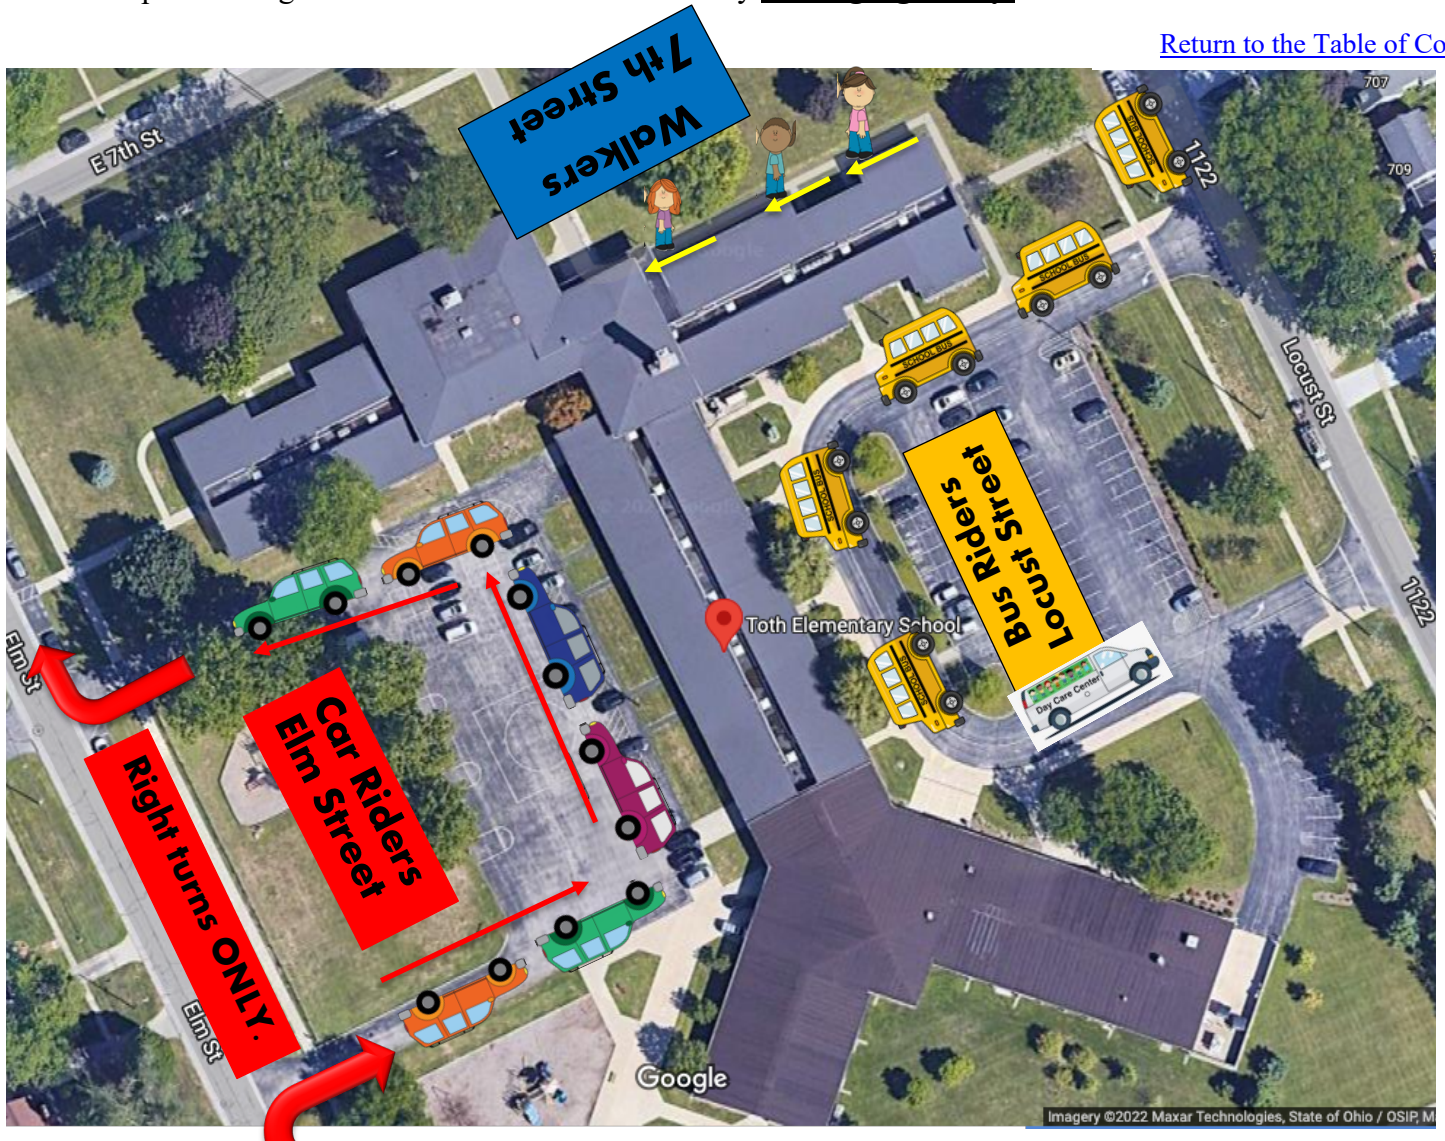

DISMISSAL 3:35 – 3:45 PM

Bus Riders – Start dismissing at 3:30 pm. Students will be supervised by staff while loading their bus.

Walkers – Start dismissing after all of the students are in their bus areas, around 3:35 pm. Each walker's guardian should be present to retrieve their child(ren). Students will be dismissed from the following rooms which face 7th street: Students with numbers 240 and below will dismiss from door 39; students with numbers 241 – 305 will dismiss from door 40; students with numbers 306 and above will dismiss from door 41. **Line up outside of you respective door** and show your number to the teachers. Do not expect your child(ren) to walk to your car. While this is convenient, it bypasses the car line and increases traffic on the side of the building where we are releasing walkers. Car line or car pick up is reserved for Elm Street. Please do not rely on eye contact with the teacher to be your method of picking up your child. This has resulted in miscommunications in the past. Please approach the teacher and the door to pick your child up from school.

Car Riders - Start Dismissing after all bussers and walkers, at 3:35 pm. Parents should visibly display their family number tag in their front windshield. Students will be called to walk to your car. Families are asked to enter the Elm Street loop via the South Entrance by **turning right only** into the car loop. Families should enter the car line, **pull all the way to the front of the loop, always keeping with the traffic and leaving only a small, safe gap between their car and the car ahead of them.** Staff members will be positioned along the side to help students get into cars. Exit onto Elm Street by **turning right only.**

MEALS – BREAKFAST AND LUNCH

Restaurant food, pop and other carbonated beverages are not to be brought into or consumed in the cafeteria. Lunch is a time for children to eat and socialize with their friends.

Printed menus are also available in the cafeteria for grades K-12 for those who prefer a hard copy. School lunch menus will be posted online at least one week before the first of each month throughout the school year.

To nurture healthy food choices, as well as protecting an increasing number of students with food allergies, we will continue to not distribute edible treats, particularly for birthdays. This year the practice will occur in all Perrysburg Elementary buildings. We appreciate your partnership as we continue to implement this school policy. Additionally, please do not send gifts to school. The school day will not be interrupted to deliver gifts (balloons, flowers, etc.).

THE JACKET WAY

Students are expected to behave appropriately and show respect toward others and themselves during school. During the school year, there will be 3 main expectations:

1. Be Respectful
2. Be Responsible
3. Be Ready

Throughout the year, students will be introduced to these three ideas. Students will also be taught acceptable behavior under each of these categories in all areas of the school (i.e. classrooms, hallway, cafeteria, playground, bus, etc.).

Our goal is to teach children they are responsible for their actions, and they must be prepared to face the natural and logical consequences of any inappropriate behavior. Faculty and staff spend a great deal of time monitoring, modeling, and teaching positive behavior. It is important that the school and families work together to help students become responsible, contributing citizens in our society. Families will be contacted when a student's inappropriate behavior becomes severe or repetitive. Families are invited to contact teachers, counselor, and principal regarding student behavior. Our Jacket Way Team will be meeting throughout the school year to plan activities and incentives that acknowledge and promote positive student behavior and celebrate our students' successes.

HANDBOOK

As you prepare for the school year, the Student and Family Handbook is a great reference. It includes information about Perrysburg Schools, general information, academics, student activities, student conduct, transportation, and the preschool program. It be accessed on the district website under the "Parents" tab and also by clicking the link [here](#).

Please draw attention to Board Policy 5136 regarding personal electronic devices: "As a rule, students should not be using personal electronic devices during the school day unless authorized and "they must be powered completely off (i.e. not just placed into vibrate or silent mode) and stored out of sight." If you are authorizing use of electronic devices, please let me know to make sure we are in compliance with the policy. "An "electronic device" includes any wireless communication devices that emits an audible signal, vibrates, displays a message or otherwise summons or delivers a communication to the possessor. The following devices are examples: cellular and wireless telephones, pagers/beepers, personal digital assistants (PDAs), BlackBerries/Smartphones, WiFi-enabled or broadband access devices, ebook readers (e.g. Kindle, Nook, Zoom), two-way radios or video broadcasting devices, laptops, tablets (e.g. iPads) and other devices that allow a person to record and/or transmit, on either a real-time or delayed basis, sound, video or still images, text or other information. In addition, portable music devices such as iPods are classified as electronic devices and are subject to this policy."

COMMUNICATION

Each week I will send out a family newsletter that includes important information like dates, highlights from the week, Jacket Way winners, and Parent Club information.

As always, please feel free to call or email me to discuss any concerns you might have throughout the school year at 419-874-3123 (ext. 3502) or jmolina@perrysburgschools.net. Please know that your child's teacher is your first point of contact. Teachers work every hard to make themselves available to parents.

This will give families and students a special time to get to know teachers, see the classroom, drop off supplies, tour the building and take care of any start-of-school housekeeping issues like updating contact information, paying fees, etc.

MEDICATION

The Perrysburg Schools Medication Policy requires that a new medication form be filled out for each school year for medication that **must** be given during the school day. If your decision is to continue this plan for the 2024-2025 school year, a new Perrysburg Schools medication form needs to be completed by the licensed prescriber and the parent/guardian. The form is linked here: <https://files.neola.com/perrysburg-oh/search/forms/fm5330F1.pdf>. When completed, it can be mailed to or dropped off at your child's school building office after August 1 between the hours of 10 am – 3 pm. Please label: **Attention: Clinic Staff**.

Also, please note, in accordance with the Ohio Revised Code 3313.713 and Perrysburg Schools Medication Guidelines, only a parent, guardian or other adult may bring medication, in the original container, to the school building for the clinic. **Children may not bring medication to school.** Self-administer as needed medication, except for asthma inhalers, epinephrine injectors/acute allergy medications and insulin, must be stored in a locked cabinet in the clinic. **Please also note that if a student will be self-carrying a dose of epinephrine for allergic reactions, state law requires that we have a back-up dose in the clinic as well.**
