

ADVISORY BOARD

PHS COUNSELING DEPARTMENT

VISION STATEMENT

The Perrysburg Schools Counseling Department supports individuality, equity and the well-being of each student. Through our cooperative relationships with stakeholders which is defined and supported by the American School Counselor Association National Model.

MISSION STATEMENT

Ensuring each student achieves their greatest potential by developing and enhancing their academic, career, and socio-emotional strengths.

Fall Meeting : November 3, 2020

- Established Board
- Program Goals
- Proactive efforts

Spring Meeting: March 29, 2021

- Update on Goals
- Data Share
- Collaboration & Planning

Board members include students, parents, community members, teachers, counselors, alumni, administration.

Using Scuta, department data is used to compare services before and after the COVID-19 pandemic changed the way schools work in just about every aspect. Advisory Council members are asked for their feedback.

Future Happenings: Welcoming Mr. Aaron Cookson as our new principal and member of the leadership team at the High School. The counseling department will meet with him to collaborate and document the administrative annual agreement for the 2021-22 school year.
