Weekly Family Newsletter

April 26, 2024

Good morning, families!

We are completing the last full week of April and we are in the home stretch of the school year with only nineteen (19) days of school left in the year!

This week our 3rd grade students completed their Ohio State Testing and, despite a few make-ups, can officially put the state requirements for testing behind us. We are super proud of our students for their focus and work on the tests. Historically, results will be returned over the summer months.

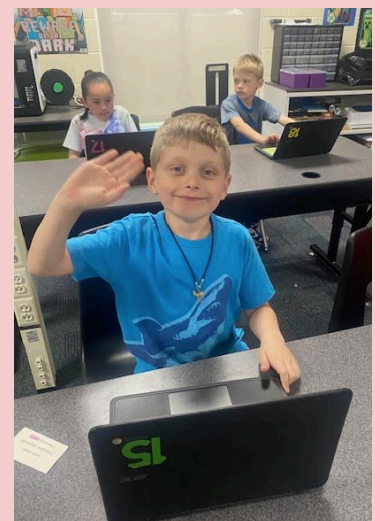

As we enter the last month of the school year there will be several events happening building-wide and within specific classrooms over the last few weeks of school. Please do not hesitate to reach out for clarification with classroom material or whole building events. I wish you and your family a wonderful weekend. As always, should you have any questions please feel free to reach out to the building! Thank you for letting me be your principal.

Peace,  
Mr. Marjoe Cooper  
Principal, Fort Meigs Elementary School

### **4th grade Clap Out Information:**

- One of my favorite traditions here at Fort Meigs is the celebration of our 4th grade students during our last day of school clap out. We plan to continue this tradition this year on May 23. Fourth grade families should be on the lookout for an email that will detail the specifics of the day in next week's family update (May 3). For your reference the clap out will begin at 3 p.m. Again, stay tuned for more details next Friday.

### **From the Clinic: Attention Parents of Students who had medication at school this year:**

- Parents or guardians of students who had prescription medication this school year should be receiving an email with instructions and school medication documents to print and complete for next fall. Parents or guardians need to pick up and sign out **all** remaining medication (prescription and over the counter medications) stored in the school clinic by the end of the day on **Thursday, May 23th 2024**. Clinic staff will properly dispose of any medication left in the clinic at the end of the day on Friday May 24th, 2024. Medication can not be stored through the Summer. If you have any questions, please reach out to Mrs. Lintner in the clinic.

Professionally,  
Corinna Lintner, RN

### **Doughnuts with Grown-ups and Spring Book Fair:**

- Our spring book fair is next week! As we did in the fall, students and families will have the opportunity to visit the book fair during our doughnuts with grown-ups days on Wednesday and Thursday. Further, students will NOT be visiting the book fair during the school day as a whole class but rather those students who bring money will be welcome to shop on their assigned day. Your child(ren)'s teacher has further details regarding when the class will have the opportunity to shop. Please reach out to staff, as needed.
- With that, Doughnuts with Grown-ups will be taking place next Wednesday and Thursday. As the flier indicates, and due to the number of students and families we have, we will need to split the alphabet into two days. Please adhere to the assigned day and times for your visit and shopping. This will avoid overcrowding and keep the experience moving.
- Last names (L-Z) will be on Wednesday, May 1.
- Last names (A-K) will be on Thursday, May 2.
- We send a sincere THANK YOU to our Boosters for allowing the book fair and doughnuts to happen for our families.
