

CQ commUNITY

December 2022

NEW

PRIORITIES SET FOR '22-'23

During the course of the past several months the CQ commUNITY has been busy collaborating to devise goals aimed at better serving our families and connecting us with the community. Work groups are currently organized to focus on socioeconomic, race, religion, the LGBTQIA+ community as well as immigrant, migrant families and our students who are English Language Learners.

Updates regarding goals and progress made in relation to them will be forthcoming.

The New "CQ Collaborative"

A team of 10 parents were selected during the '21-'22 school year to participate in the CQ commUNITY's new "Collaborative". These individuals have been assembled to provide unique and fresh insights to influence the direction of the district's diversity, equity, and inclusion initiatives. The team has met twice and will be formally introduced to the CQ commUNITY in January.

Scholars & Advocates Visit the CQ community

DR. TIMOTHY MURNEN

Dr. Murnen, Professor, Bowling Green State University visited in September to pitch two different projects he is heavily involved in presently. He currently works with the Holocaust Teacher Network (HGEN) and the Northwest Ohio Immigrants Rights Project.

DR. MARVIN WHITFIELD

President & CEO, Big Brother Big Sister of NWO. In October, Dr. Whitfield provided some thoughts pertaining to our work within multicultural awareness and competency. We were honored to welcome Dr. Whitfield.

JOE WOOD

Board of Directors, Equality Toledo. A Toledo-based nonprofit dedicated to eliminating discrimination in our region on the basis of sexual orientation, gender identity and gender expression, through education, activism and other anti-defamation efforts. Joe visited in October.
