Third Grade Parents

You will be receiving your child's Ohio State Test (OST) results from the Fall administration. The results will be shared through a secure, automated email from "Bright Arrow" on December 20. The OST is an end of grade-level assessment which, per the Department of Education and Workforce of Ohio, must be given to third graders in October. Teachers will use the fall scores to determine what interventions students need to meet third grade standards. At the end of the year, students are expected to earn at least a 700 scaled score.

First grade worked on a "Cozy Sweater" mural! They learned about the knitted patterns of the Fair Isle Sweaters and used simple X marks to create their own version of stitches. Another amazing mural, Mrs. Cook!

Parent Boosters

Please fill out the feedback survey on how we can grow our group! We would love to see new faces at an upcoming meeting.

From the Clinic

With the change to winter weather, we see quite a few students with chapped, dry or cracked lips. Once this dryness and chapping occurs, many children will lick their lips in an attempt to make them feel better, but it actually has the opposite effect over time. I would encourage you to have your student carry their own tube of lip balm. Please feel free to tuck one, labeled with their name, in their pocket or backpack to keep with them at school and remind them that it is important to not share with others.

Online Pre-Registration for Perrysburg Schools Kindergarten Class of 2038 Opens January 27, 2025

Perrysburg School District Residents who are parents/guardians of the incoming 2025-26 Kindergarten class may pre-register their child online at the school district website starting Monday, January 27, 2025. Students must be age five on or before August 1, 2025, to begin kindergarten during the 2025-26 school year. To pre-register, visit the Perrysburg School District website at www.perrysburgschools.net. Click on the "Families" Menu, then "[Enrollment for New Students](#)." Pre-registration is not time sensitive. All families completing the enrollment process by March 14th will receive a classroom placement.

On Thursday, February 20, there will be a Kindergarten Registration Form Collection Day at the School Board Office, 140 E. Indiana Avenue, from 8 a.m. to 4 p.m. for families to turn in all required paperwork to complete enrollment. Kindergarten assessments are now done during Jacket Jumpstart in August, so students need not attend. If your child attends Perrysburg's preschool program at Union Preschool, you do not need to pre-register for kindergarten. Your child is already active in Final Forms and will automatically be advanced to kindergarten. Watch for more to come from Union Preschool Staff.

Enrolled students will automatically be assigned to a tuition-free all day kindergarten (ADK) program, which will be offered school district-wide at each elementary school. Families are encouraged to complete enrollment by March 14th to help ensure their child receives a placement at their home school building. Hours for ADK are 9:05 a.m. to 3:35 p.m. School is in session Monday – Friday.

Half Day (AM) kindergarten is offered upon parent/guardian request. Hours for AM kindergarten are 9:05 - 11:50 a.m., Monday – Friday.

For a complete list of important kindergarten registration dates, deadlines and information, please visit the Perrysburg School District website at www.perrysburgschools.net and click on the "Families" Menu, then "[Enrollment for New Students](#)."

Neighborhood Bridges

Neighborhood Bridges is a 501(c)(3) charitable organization that was launched in January of 2017 to respond to the growing rate of poverty in suburban and rural America. We use technology and social media to advocate for children and families in need and then engage the community via a "campaign for kindness" to fill those needs. Neighborhood Bridges of Perrysburg was launched in March of 2023 and some needs that we have filled recently include clothing, shoes, household items, and food and gas gift cards.

To see our current needs and/or to subscribe to our newsletters to see our needs as they arise, please visit <https://neighborhoodbridges.org/community/perrysburg>
