Subject: Free Meals Extended and Fee Waiver Application

Dear Families:

The U.S. Department of Agriculture (USDA) has extended its program for all school districts to offer FREE breakfast and lunch meals to ALL students each school day, a program that began last school year. This meal program will last until May 26, 2022, or while the USDA funds are available. Please note that a la carte milk and snacks are not part of this free meal plan.

**Please note that our “Fee Waiver Application & Free or Reduced-Price School Meal Application” is still used for the consideration of the waiving of fees/assessments for Perrysburg Schools, so those who may qualify should submit this application for the purpose of the waiver of fees for the 2021-2022 school year.** Also, if the Pandemic Electronic Benefit Transfer (P-EBT) program were to be extended, families may receive Supplemental Nutrition Assistance Program (SNAP) benefits if this application has been completed.
