Dear Rising 5th and 6th Grade Families,

I think it is fair to say most students are excited about the upcoming summer vacation and the possibility of some rest and relaxation.

The purpose of this letter is to provide families with some important information and dates to mark on your calendar before the summer break gets into full swing. There will be additional information shared throughout the summer.

Please do not hesitate to contact us if you have any questions regarding the following information. We hope you have a pleasant and relaxing summer.

Be Kind & Courageous,

Scott A. Best, Principal
