

June 2023,

Dear Rising 5<sup>th</sup> and 6<sup>th</sup> Grade Families,

I think it is safe to say most students are excited about the summer vacation and the possibility of some rest and relaxation after a long school year.

The purpose of this letter is to provide new families with some important information and dates to mark on your calendar before new school year. Team assignments and additional information will be emailed to parents and guardians starting on Friday, July 21. You can also visit the HPI webpage for up-to-date information.

Please do not hesitate to contact me if you have any questions regarding the upcoming school at [sbest@perrysburgschools.net](mailto:sbest@perrysburgschools.net). I hope you have a pleasant and relaxing summer.

Be Kind and Courageous,  
Scott A. Best  
Principal

## **2023-2024 Back-to-School Supply Kits**

You can complete your back-to-school shopping by clicking [www.unitedschoolsupplies.com](http://www.unitedschoolsupplies.com) and entering our unique School Code, 205126. You will need to enter your student's name and NEXT YEAR'S grade level (to properly label the kit). Select any optional student accessories you'd like such as backpacks, headphones, lunch bags, water bottles, and food jars, and then proceed to a secure checkout. It is simple and convenient!

The entire process takes less than two-minute and you can do it on your phone or from the comfort of your home. Your student's supply kit and any optional accessories you ordered will be individually labeled and delivered directly to your child's homeroom before the start of the new school year.

Why order a back-to-school supply kit for your student? Here are some of the top reasons:

- The kit provides the specific items requested by your student's teachers on the official school supply list.
- The kit includes high-quality supplies that help students and teachers succeed in the classroom, including products from trusted brands such as Avery, Crayola, Expo, Fiskars, Kleenex, Paper Mate, Sharpie, Ticonderoga, and Ziploc.
- Kits are very convenient. You can complete your back-to-school supply list shopping for one or more students on your phone or computer in just a couple of minutes.
- Kits are affordably priced compared to other shopping options (with no additional shipping fees, etc. added to the all-inclusive prices listed below), even if you don't factor in the time and travel costs required to track down these items on your own. Here are our kit prices by NEXT YEAR'S grade level:
  - Grade 5 - \$59
  - Grade 6 - \$58

## **Summer Communication**

Students and their families will receive an email on Friday, July 21 with their child's team assignment. Weekly Updates will begin the following week.

## **Summer Screen Time**

We recommend families limit their child's screen time over the summer. This includes smartphones.

## **Student Schedules**

Students will be able to view their schedules in PowerSchool starting on Monday, August 7. We will also have paper copies of each child's schedule printed and available at Orientation on Tuesday, August 15.

## **HPI Student Orientation Process**

Orientation provides students and parents/guardians the opportunity for students to pick-up and walk their schedules, meet their teachers, pay school fees, and put school supplies in their lockers.
