Summer: June 2023

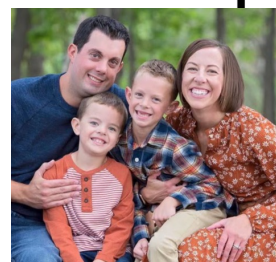

School Supply Orders!

You can prepare for the 2023/24 school year NOW by ordering a back-to-school supply kit for your student! Due to popular demand, the regular ordering window has been extended until Sunday, June 18. Orders will be accepted until June 30 but will be subject to a 10% late order fee.

Take just 2 minutes, place an order, and finish your supply list shopping now! Go to www.unitedschoolsupplies.com and enter our school's 6-digit code: 477051. Your student's individually-labeled supply kit with your specific supply list items (and any optional backpacks/headphones, etc. you order) will be delivered directly to the school this summer. The supplies are of high quality (Crayola, Dixon, Expo, Elmer's, Fiskars, Kleenex, Paper Mate, Sharpie, Ziploc, etc.), they are attractively priced, and you can order on your phone or computer from the safety and comfort of your home!

Sincere APPRECIATION

Thank you to PTO for their commitment to Toth!
A special shout out to Kristin and Jennifer for their dedication over the years!

Job FAIR

The district is looking to fill several positions for next school year. A job fair will take place on June 6th & 8th. See the attached flyer for more information! Please share the news!
