## Our Support Staff ~ Gratitude & Challenges

What are you most grateful for in relation to your job? What is your greatest challenge now in relation to your job?

**Jackie Jurski,**  
*Food Service,  
Hull Prairie  
Intermediate School*

"I love the kids! I am lucky that I get to see over 500 students a day, and they are happy to see us! Everyone loves the lunch ladies!"

"The greatest challenge is trying to stay efficient and flexible. The free breakfast and lunch program has been a tremendous help to families and has created some challenges along with it. We serve more students in the same amount of time, which is a feat in itself."

**Laurie Barteck,**  
*RN, Health Aide,  
Woodland  
Elementary School*

"I love working with the students and dedicated staff of Perrysburg Schools. I am grateful for the Health Aides of our district who make a difference every single day. Their compassion, optimism and kindness are evident across the district."

"My greatest challenge is dealing with negativity."

**Patie Ball,**  
*Tier 2 Support  
Technician,  
Technology  
Department*

"I am most grateful for the chance to help alleviate 'the chaos' that technology causes to our lives each day. I enjoy the opportunity to interact with the smiling faces of staff and students on a daily basis."

"The greatest challenge is trying to resolve each tech issue in a timely manner while being informative, friendly and fun when helping. We all have a different knowledge base when it comes to technology. It's important to me to ensure that everyone leaves feeling like they were heard."

**Sherry Slocum,**  
*Secretary,  
Perrysburg  
Junior High  
School*

"My Co-workers and the Secretary Team are the best! I am so grateful, not just for Megan and Carol (they are great to work with) but for all of the Secretaries in Perrysburg Schools. They are all awesome people and a great resource!"

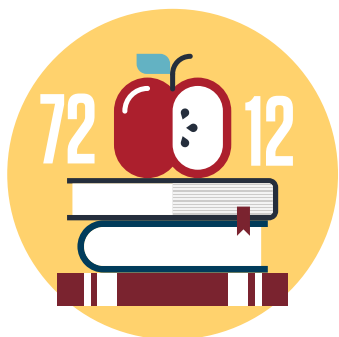

"COVID!"
