

July 22, 2022

Dear Parent or Guardian,

We are beginning our preparations for the 2022-2023 school year. As we look forward to August and the start of school, we wanted to share some important information with you. Perrysburg High School Back-To-School forms for grades 9-12 for the 2022-23 school year will again be accessed through FinalForms. The online registration for the 2022-23 school year is available now for you to begin filling out the forms. This system is for all PHS students, including our Penta Career Center students, and is no longer exclusive to just our athletes.

This online registration is a requirement for all parents/guardians of new or returning 9-12 students. This MUST be completed by a parent or guardian, and the student will also sign the forms after the forms are completed by the parent or guardian. The student will receive a notification email to his or her school email to sign the forms. FinalForms collects the information the school uses to communicate with parents and guardians via email and phone and needs to be updated annually by the parent/guardian. Please make sure to completely fill out all the information, especially the page regarding Agreements and Permissions. For address changes, please refer to the following link: <http://www.perrysburgschools.net/ProofofResidency.aspx>

Please click the link below to start your online registration.

IMMUNIZATIONS

For incoming seniors, Ohio state law requires that students must submit documentation of having had a meningococcal (serogroups A, C, W, Y) immunization that would have been given on or after their 16th birthday. Many students may have received one prior to age 16 years of age. However, they will need a second one to meet the requirement for this upcoming school year. This can be submitted to the high school nurse, Debbie Reddick. If you have any questions, please contact her by email at dreddick@perrysburgschools.net or by phone at 419-874-3181, extension 5010.

If your high school student (9th through 12th graders) has received the Covid-19 vaccination and you have not yet submitted documentation of that immunization, please email a copy of their card to the school nurse or send in a copy when school starts.

MEDICATIONS

For students who require medication to be administered during the school day, please submit the medication use form to the school nurse, Debbie Reddick. It is located at <http://www.neola.com/perrysburg-oh/search/forms/fm5330F1.pdf> or printed copies of the form will be available at the high school office beginning August 9, 2022.

Any parent/guardian wishing to fill out an Over-The-Counter Medication form to allow designated staff to administer school stock Ibuprofen or Acetaminophen to your child as needed will need to complete page two of the medication forms. These completed forms will need to be returned to the school nurse.

PARKING PERMITS

Please note that only students with Perrysburg High School parking permits will be allowed to park on school property. Cars without permits will be subject to fines and towing at the owner's expense. (Towing information is listed on the sign displayed in the lot.) Students parking without permits will be subject to school disciplinary consequences. Students who meet the criteria may apply for a parking permit through FinalForms. Carpooling is encouraged. After school jobs have NO impact on parking permits.

Note: A valid driver's license will be required by each student who has applied for a parking permit and must be presented when purchasing a parking permit. The parking permit fee is **\$25.00**. All students requesting to park at the high school during school hours **MUST have a parking permit visible PRIOR to parking**. The student/parent agreement form must be signed as well.
