

WELCOME TO PERRYSBURG HIGH SCHOOL! And Welcome to PHS/S!

We are excited about a new school year and new opportunities to give back to the students and Staff at PHS! We look forward to you joining us and following all of our events throughout the year! We rely on donations from our families to be able to give back . Families may join PHS/S at any time, but we hold our annual Membership Drive Fundraiser at the beginning of each school year. Membership does not commit you to volunteering or attending meetings. This year we have different levels of donations that you may choose from. You can donate to us 2 ways. You can complete the online form with your donation or you can download the form, print it and either have your student return it to the office in an envelope addressed to PHS/S or you can mail it to the school. We appreciate any donation you are able to give.

Our Standing fundraisers that give back all year!

We're teaming up with **Coca-Cola Gives Program** to earn money for our staff and students Coca-Cola Gives is your new destination for donating to your community--from local schools to cause partners-- through your favorite beverages from The Coca-Cola Company. Your donation to any accredited K-12 school of your choice will result in a quarterly payment to be used to purchase supplies for your school. Give more happiness with your purchases from The Coca-Cola Company!

Just head to <https://us.coca-cola.com/give/> to get started with Coca-Cola Give. You can then create an account by clicking on the little person in the upper right corner to sign up. Once your account is created, you can scroll down to DONATE TO YOUR LOCAL SCHOOL under the GIVE tab. You'll donate by signing in and choosing your local school.

You will Donate by Collecting the Codes, which can be found on all Coke Products. You can find them on the cap of single bottles, on the 12/24 packs with the perforated openings, etc.

They are found on all Coke lemonade etc. Here is the link to worth. <https://us.coca-cola.com/>

Products from pop to water to show you how much each code is worth. [give/code-value/](https://us.coca-cola.com/give/code-value/)

To donate to a school, simply type our zip code for the school selection to populate. From here you can select the school or schools that you would like to donate to. We encourage you to be involved in multiple schools so everyone can benefit. Once you start donating you can also track your donation amounts to the school you choose so you can see how much you are helping!

You can also Give back to your community with mobile scanning. To donate, select a local school or cause partner on your phone, tap SCAN NOW, and scan by taking a picture of the cap code.

Word of mouth is powerful in sharing the opportunity to raise funds for your local school with your community behind you. Anyone can help...Grandparents, Aunts, Uncles, Friends, Neighbors! Even those who do not have kids in school can help!

Points can add up quick and it is super easy to enter the codes. Give it a try and let the points start adding up!

Don't want to enter the points but want to help us?? Just save the codes for us and bring them to school or contact us and we will set up a way to get them from you. We will have collection bins at School so you can easily drop them at the office and we will enter the points for you!

Kroger Rewards With your Kroger Plus Card

PHS/S has signed up for the Kroger Rewards Program! By shopping at Kroger and using your Kroger Plus Card, you can help PHS/S earn money for the school. This is a great, easy way for everyone to help give back! All you need to do is enter Parents Helping Students/Staff or our number VH592 on your Kroger Plus Card Account and from there you just swipe your Kroger Plus Card every time you shop.

Its that simple! You are giving back just by shopping for your normal items and swiping your card!

Spread the word because anyone can add us to their card!
