Statement on COVID-19 Impact

Perrysburg Schools pivoted to remote learning on 3/16/2020 following our school closure due to COVID-19 precautions on 3/13/2020. For second semester grades in 2019-20, students who satisfactorily completed at least 80% of all assignments for 4th quarter received a "P" grade. A "P" had the weight of a 4.0 for regular classes, a 4.5 for Honors, and a 5.0 for AP classes. This weighting was averaged into the 3rd quarter GPA to determine the semester grade. Students returned to classes for the 2020-2021 school year in August 2020 to a synchronous, hybrid in-person/virtual learning structure with an option for students to choose full time virtual learning. Starting with the 2021-2022 school year, all students returned to in-person school five days per week.
